“Magic Penny”

Smile is something that you give it away,
 Give it away, give it away
 Smile is something that you give it away,
 And it comes right back to you,

It’s just like a magic penny,
 Hold on tight and you won’t have any,
 Lend it, spend it, and give it away,
 And it comes right back to you.

Joy is something that you give it away,
 Give it away, give it away,
 Joy is something that you give it away,
 And it comes right back to you,

It’s just like a magic penny,
 Hold on tight and you won’t have any,
 Lend it, spend it, and give it away,
 And it comes right back to you.

Love is something that you give it away,
 Give it away, give it away,
 Love is something that you give it away,
 And it comes right back to you,

It’s just like a magic penny,
 Hold on tight and you won’t have any,
 Lend it, spend it, and give it away,
 And it comes right back to you.
